

Blackford Golf Club

Contract for personal cart use without trail fee

Rules pertaining to personal cart use:

- All personal golf carts must have golf course tires. We will not allow golf carts that have street tires equipped on the course.
- Any guest rider(s) must pay to golf or ride.
- Only 2 per cart, with the exception of a child 5 years old or under. Then, we will allow there to be a 3rd rider on your cart. We require that you use proper golf etiquette and maintain responsibility while golfing under normal circumstances. Exercise extreme caution while golfing with a minor child.
- By using your own personal cart, you are required to take a rider with you if deemed necessary by the Pro Shop attendant, depending upon the numbers in your group, or use one of BGC's carts. No more than 2 carts, and 4 players per group.
- BGC is not responsible for any damages that occur to your personal cart.
